Freedom is lost now...!

PREMIUM-pv3b

Thanks for purchasing of pv3b and we allotted an account in premium server with 100 sms credits

Please follow the procedure in step wise manner.

Step:1 gprs sim activation Take gprs activated sim with balance of rs 20 inr atleast(to know gprs activated or not install the sim in mobile and open www.google.com if google site is loaded then gprs is active if site does not load contact gprs service provider. Tracker uses only 30mb/month

Recommended gprs service - airtel gprs -125/month(online recharge offer)

-aircel gprs-24/month

Step: 2- Switching on pv3b model.

Insert simcard backside you can see the led blinks and connect the device as per wiring diagram on back side page

Then call the phone number of sim, you should hear 4 rings and auto disconnected

Step3:quick setup

From your mobile please send sms.

1. Set device id:

Number09700025002

Where 9700025002= 10 digit phone number of tracker sim card
